# *Students' and foundation day*

**"We should not give up and we should not allow the problem to defeat"**

World Students' Day is celebrated on October 15 every year in honour of Dr APJ Abdul Kalam, India's 11th president and renowned scientist. This day coincides with Dr Kalam's birth anniversary and commemorates his remarkable contributions to education, science, and his influence on students worldwide.

Foundation Day at a school is a day to commemorate the school's founding and celebrate its history, values, and achievements. It's also a day to reflect on the school's early days and how far it has come.

As our founder is Father Jean-Pierre Médaille (1610-1669) was a Jesuit priest and preacher who founded the Congregation of Sisters of St. Joseph

John Peter Medaille was born in Carcassone, in southern France of a well-to-do and noble family. His father was the king's attorney in the Carcassone courts. Nothing is known of John's early education, but because of his family's position he was likely to have had private tutors.

It was evident that the interactive displays and hands-on activities sparked their interest in science and technology. The trip not only fulfilled educational objectives but also encouraged students to think critically and creatively about the world of science. We would like to extend our gratitude to the staff of the Raman Science Centre for their guidance and hospitality during our visit. We also appreciate the efforts of our teachers for organizing this informative and inspiring trip.

The most awaited day of the year was the school picnic to Dwarka Water Park, for the students of classes I to X held on November 23, 2024. It served as a break from the academic routine, offering students a chance to unwind in a vibrant and dynamic environment. The park, with its sprawling landscapes and vibrant water attractions, set the stage for the day of unparalleled fun and bonding. It was a memorable day full of fun and frolic coupled with adventure and thrill.

Adequate adult supervision to ensure students' safety was practiced, rules and expectations to ensure everyone's safety and enjoyment were set, transportation and activities were planned well in advance for uninterrupted joy and excitement.

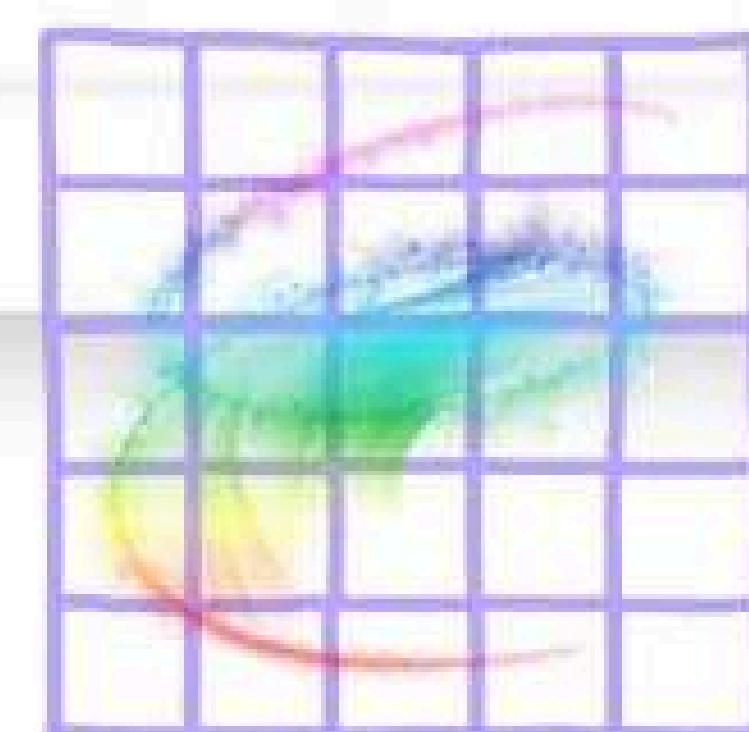

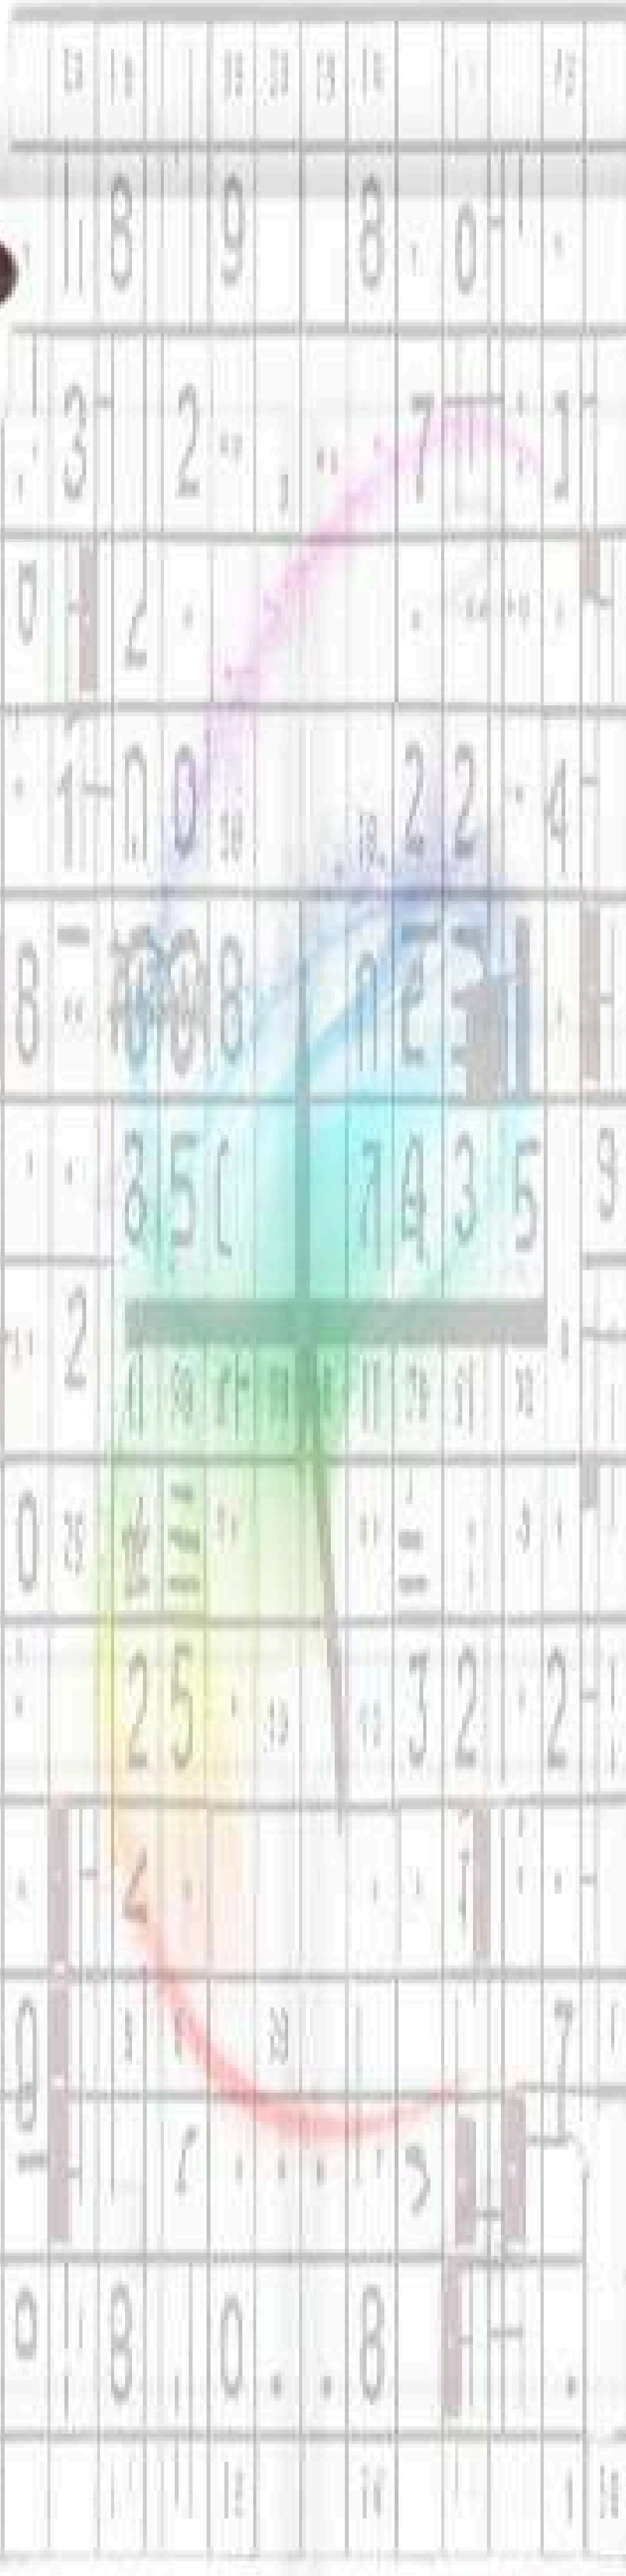

# INTERNATIONAL SUDOKU DAY

On 9th September 2024, St. Joseph's Convent Sr. Sec. School hosted a special seminar in celebration of International Sudoku Day, aimed at fostering critical thinking and logical problem-solving skills among young learners. The event was skillfully arranged by Tr. Yogita Mokde and saw enthusiastic participation from Classes 2 and 3.

The seminar featured distinguished speakers and trainers who shared their expertise on the educational value of puzzles like Sudoku:

Mr. Pradeep Shendre, Area Head of Vidarbha Region, discussed the importance of integrating Sudoku and other logic-based games into the school curriculum to enhance students' cognitive development. Mrs. Santosh Mantri from LCL Wadi highlighted how puzzles contribute to improved problem-solving abilities and academic performance among young students.

Ms. Ayesha, Master Trainer from LCL Friends Colony, led an engaging session on how educators can use Sudoku to make learning more enjoyable & intellectual.

## EXECUTIVE PARENTS TEACHERS ASSOCIATION

In the context of schools, "EPTA" likely refers to the Executive Parents Teachers Association, a group of parents and teachers who work together to support the school and its students.

Key Roles of Parents in EPTA:

Monitoring Children's Activities

Involvement in Meetings:

Motivating Students:

Communication with Teachers:

Understanding School Policies:

Supporting School Initiatives:

The National Cadet Corps (NCC) is a youth development organization in India, open to school and college students, aiming to foster discipline, leadership, and patriotism through various activities like drill, weapon training, and social service.

The National Cadet Corps (NCC)  
has enormous potential for nation building.

St. Joseph's Convent Sr. Sec. School hosted an enlightening seminar by the Army Recruiting Officers (ARO) for NCC cadets of Classes 8 and 9. The session focused on discipline, leadership, and career opportunities in the armed forces.

The officers shared insights into army life, the selection process, and the role of NCC in shaping future leaders. Cadets engaged in an interactive discussion, gaining motivation and clarity about a career in defense services.

The school extends its gratitude to the ARO for their valuable guidance and inspiration.

# INFRASTRUCTURE DEVELOPMENT

A new milestone was achieved with the construction of a dedicated building for the foundation stage, providing a state-of-the-art learning environment for young learners. Another milestone this year was the construction of a new playground, providing students with enhanced sports facilities. This new space aims to promote physical fitness, team spirit, and excellence in various sports
